Subject: QCS - Life Skill Development Program

Dear Parent,

Greetings!

In pursuit to foster creativity, enhancing social skills, community engagement, promoting leadership, and adaptability, making them more prepared for the workforce, a dedicated schedule has been established for the Students on the first Saturday of each month under the Life Skills Development Program (LSDP). These Saturdays will be light on academic burdens (NO BAG Day), yet rich with opportunities for skill development and hands-on engagement. They will be actively involved in project-based learning, club activities, and inter-house competitions. This consistent, active participation will enhance their ability to perceive and foster a sense of inclusiveness within the community, preparing them for the world beyond. We are excited to share with you the **Google link** for selecting the clubs, based on your child's interests. Kindly mark the clubs in the order of preference in the form.
