Subject: Implementation of Experiential Learning Program for Grades VI to VIII

Dear Parents

Greetings!

We are delighted to inform you of an exciting addition to our curriculum; an innovative Experiential Learning Program, designed specifically for students of Grades VI to VIII that aims at enriching the practical educational experience of our students.

Starting henceforth, the third Saturday of every month will be designated as a working day for students in the aforementioned grades. During these sessions, students will engage in practical sessions in Science, Mathematics, and Social Studies. They will also participate in language lab activities to enhance their proficiency in English and Hindi. Additionally, an hour will be dedicated to sports training for team games. This initiative aims to prepare our students for various interschool competitions.

Note:

- a) School timings: 08:30 am- 12:30 pm
- b) Transport facility would be available for bus users.
- c) Attendance is compulsory for all students.

We are confident that this program will significantly benefit our students and look forward to your cooperation in making it a success. The detailed schedule/ time-table would be shared in the class groups in due course of time.

Warm Regards
