

Dear Parents

Circular No: QCS/2024/120

Greetings!

Date : 14.10.2024

***Clean Hands Are safe hands***

On Global Hand Wash Day today, the school wishes to reinforce the importance of hygiene. A special assembly was put up with the theme of hand hygiene, where awareness as well as understanding of hand hygiene were shared with all the students. Students demonstrated all the steps involved in hand washing. Taking this day as a platform, the school wishes to reinforce that every child must have their towel hankey with them during their school hours as health and hygiene are interconnected. Post-hand wash during tiffin time, it is imperative that every child cleans their hands with the hygienic clean cloth.

Kindly ensure that your ward is carrying a towel hankey to school on an everyday basis.

**Wash your hands, clean them and be safe as ...**

**Health and hygiene are Better than wealth and digene.**

**Ms. Sandhya Kumaria**

A handwritten signature in black ink, appearing to read "Sandhya Kumaria", with a small flourish at the end.

**HOS**
