Circular No- QCS/2024/ 122

Subject: Daycare Facility Charges

Dear Parents

Greetings!

The daycare after the school hours would be chargeable with a nominal fee of ₹1200 per month, effective from 1st November 2024.

We believe this modest charge will allow us to maintain and further enhance the quality of care provided, while offering additional learning support during daycare hours. Parents who wish to continue to avail this facility are kindly requested to complete the registration form available at the front desk before 28th October 2024.

For further information or assistance, please feel free to contact the school office on 9891889900.

Note: Complementary Daycare provided for stay back post school hours will be withdrawn with effect from Oct. 30th, 2024.

Thank you for your continued support and understanding.

Warm Regards
