Subject: QCS – NIE subscription Program

Dear Parent,

Greetings!

The school's **Reading Program** holds great importance for students as it is a crucial component of our educational approach, aiming to cultivate knowledgeable, thoughtful, and well-rounded individuals.

To enhance and elevate our commitment to this initiative, we are delighted to inform you that the school has secured a subscription to the **Times of India-NIE** for all students from Grade III to VIII. Commencing this week, each student will receive a daily copy of the newspaper for the academic session 2024-25. This initiative is designed to cultivate robust reading habits, enhance general knowledge, and deepen our students' understanding of current events. Additionally, this will also serve as a platform for the students to exhibit and reflect their creativity.

Under the guidance of the library in-charge, students will engage in a variety of interactive activities significantly enriching their vocabulary, comprehension, and critical thinking skills, Therefore Students must carry their library notebook for library and NIE activities.

Warm Regards
