

Date: 02-07-2026

Dear Parents,

Circular No: QCS/2026/243

Subject: Registration Open for SOF Olympiad Examinations 2026–27

We are delighted to announce that registrations for the **Science Olympiad Foundation (SOF) Olympiad Examinations** for the **Academic Session 2026–27** are now open. The SOF Olympiads provide an excellent platform for students to challenge themselves beyond the classroom, compete at the **national and international levels**, and develop the knowledge, confidence, and skills required to excel in an increasingly competitive world. These prestigious examinations foster **analytical thinking, logical reasoning, problem-solving abilities, and academic excellence**, while offering students valuable exposure and recognition.

The Olympiad examinations will be conducted for **Classes I to X** in the following subjects:

- | | |
|---------------------|--------------------|
| • English | • Hindi |
| • Mathematics | • Computer Science |
| • Science | • Social Studies |
| • General Knowledge | |

We encourage you to motivate your child to participate in these esteemed examinations and make the most of this opportunity to explore their academic potential and achieve excellence. Kindly submit your consent by filling out the **consent form** shared below **on or before 10th July 2026**.

Kindly Note-

- A student can participate in 1 or more than 1 exam.
- Registration Fee is 200/- per subject
- Last date for registration 10th July 2026
- The official SOF Registration Form will be issued only to students who submit the consent form. Parents must then complete and submit the registration form along with the applicable fee.

Warm regards

Ms. Padmini Uttamrao Wasule

Olympiad Coordinator
