Circular No- QCS/2026/246

Subject: Launching the QCS Parent Partnership Program 2026–27

Dear Parents

Greetings!

"Every child's success is built upon a strong partnership between home and school."

Recognizing the indispensable role of parents in this journey, and in accordance with the **CBSE Parenting Calendar 2026–27** and the progressive vision of the **National Education Policy (NEP) 2020**, Queen's Carmel School is proud to introduce the **QCS Parenting Calendar 2026–27**—a thoughtfully designed, year-long parent engagement program that transforms parental involvement into meaningful partnership. This initiative aligns with CBSE's emphasis on structured parent-school collaboration, purposeful engagement, and shared responsibility in nurturing every learner's overall development.

The **QCS Parenting Calendar** has been meticulously curated to ensure that **every month of the academic session becomes an opportunity for parents to learn, reflect, participate, and contribute** to their child's growth. Rather than limiting parent engagement to conventional Parent-Teacher Meetings, the calendar introduces a comprehensive framework of interactive workshops, expert sessions, developmental awareness programs, counselling initiatives, family engagement activities, reflective exercises, and collaborative school experiences.

Each monthly engagement has been carefully aligned with the developmental needs of children across different age groups and will address contemporary parenting priorities such as:

- Building meaningful parent-child relationships
- Positive parenting and emotional well-being
- Health, hygiene and adolescent awareness
- Digital wellness and responsible technology use
- Character building and life skills
- Career awareness and future readiness
- Managing academic expectations and examination stress
- Developing resilience, confidence and responsible citizenship

This initiative is founded on a simple yet powerful belief—that **when parents continue to grow as learners, children flourish as confident, compassionate and responsible individuals.**

We therefore request every parent to regard the **QCS Parenting Calendar** not merely as a schedule of school events, but as a year-long commitment to your child's holistic development. Your active participation in the planned sessions and family engagement activities will significantly strengthen the learning continuum between home and school, enabling us to create an environment where every child feels supported, understood and inspired to realize their fullest potential.

The **QCS Parenting Calendar 2026–27** is enclosed for your reference. We encourage you to preserve it throughout the academic session and actively participate in the engagements planned each month.

With warm Regards,

Ms. Sandhya Kumaria
