QCS/2026/240

Subject: Revision in School Transportation Charges (Effective from 1 July 2026)

Dear Parents

Greetings!

We wish to inform you that the prices of petrol, CNG, and diesel have witnessed a considerable increase in recent months, leading to a corresponding rise in the operational expenses associated with the school transport system. While the school has always endeavoured to absorb these additional costs for as long as possible, the sustained escalation in fuel and maintenance expenses has necessitated a revision of the transportation charges. This measure is essential to ensure the uninterrupted provision of safe, efficient, and reliable transportation services for our students.

Accordingly, the revised transportation charges, effective from **1 July 2026 (Quarter II onwards)**, are as follows:

Transportation Charges	Current Monthly Charges	Revised Monthly Charges
0.1 Km to 8 Km	₹ 2,100	₹ 2,300
8.1 Km to 15 Km	₹ 2,700	₹ 2,900
15.1 Km to 25 Km	₹ 3,600	₹ 3,900

The revised rates will be applicable from **Quarter II of the Academic Session 2026–27**, commencing **1 July 2026**.

We assure you that this revision has been made after thoughtful consideration. The school has maintained the same transport fee structure since the academic session 2024–25 and has consistently absorbed the impact of rising fuel costs without passing the burden on to parents. We sincerely appreciate your understanding, cooperation, and continued support.

For any queries or further clarification, please feel free to contact the School Office

Warm Regards,

Ms. Sandhya Kumaria
