Subject- *Diwali Fest – Illuminate: 2.0- 2026*– A CELEBRATION OF CREATIVITY, ENTERPRISE & COMPASSION

Dear Students & Parents,

Festivals are not merely occasions to celebrate; they are opportunities to learn, share and create a meaningful impact. In this spirit, Queen's Carmel School is delighted to announce its much-awaited **Diwali Fest—an Entrepreneurial Mela - Illuminate 2.0** that brings together the joy of festivities and the enriching experience of experiential learning on **Wednesday, 4th November 2026** during the school hours for all the students.

Conceptualized as a collaborative endeavour, the Fest will see our **students of Grade VI- IX**, guided by their teachers, take an active role in planning, organising and managing various stalls and activities. This initiative offers them a valuable opportunity to develop essential life skills, including teamwork, financial literacy, entrepreneurial thinking, planning, decision-making and leadership.

At the heart of this celebration lies a deeper value—the spirit of empathy, generosity and giving. The part of proceeds generated through their collective efforts will be contributed towards the welfare of the underprivileged, enabling our young learners to experience the joy and dignity of giving back to society.

- ❖ **Note: Students who are interested to put up their stall are requested to fill the google form and book your stall.**
